subject Re: Happy Friday

David,

I have been working very hard on getting the report document together. A lot more work than I thought it would be, but willing to do it. I have attached a rough draft for you to take a look at and will send out a more finished document to all on Saturday. Yellow highlight still needs to be done. Also I need the cost of the Aironet 1140 for the table.

I noticed that the Wayne moved the deadline to March 1, so that gives me a little more time, but I don't want to wait till the last minute either.

Thanks for the update,

Charles

Sweet! I didn't see that he had bumped the due date! Out standing!

I'll take a look at the rpt you sent right now.

Charles,

I don't see where he changed the due date... was that an email he sent out? If so, when did he send it?

Take care,

David

Hi Charles,

Here is the Status RPT with the Open Issues and action items sections completed. I slightly modified the Risk narrative paragraph as well.

Did you get Eric's final documents yet?
